## David Vladyka

Absinthe-Films.com  
Caman ambassador

*“I've been shooting snowboard, freestyle and freeride documentary films and commercials for about 20 years. For me, comfort, efficiency and reactivity are absolutely essential if you want to put all the chances on your side. So it's crucial to choose your camera gear well.”*

David's setup : Sony FX6, Samyang 12mm T3.1 Full Frame Fisheye, Caman S GRIP PRO

## S GRIP PRO noun

A professional multifunction control grip for camcorders and cinema cameras with a 2.5mm remote jack (LANC) that allows easy access to many camera functions while filming.

### Example

*Oh no ! I dropped my S GRIP PRO in the mud !  
Don't sweat it, it's IP66 rated. Just rinse it with  
soapy water and it'll be like new once again.*

### Synonyms

Caman grip, Caman handle

### NOTE

The S stands for smart, sturdy, silicone, Swiss, sensors, safe and much more...
